For the Weary, Wakeful, and Sick!

The GORHAM PATENT BEDSTEAD.

SPECIALISTS recommend it

> Accouchements Heart Disease Headache Spinal Disease Indigestion Cancer Hip Disease Rheumatism Phthisis Gout Fractures Insomnia. Sprains Fevers Dropsy Paralysis After Operations.

USED BY THE FOLLOWING Hospitals, Infirmaries,

London Hospital St. Thomas's Hospital Middlesex Hospital St. Bartholomew's Hospital Guy's Hospital Royal Orthopædie Hospital Royal Free Hospital City of Dublin Hospital Hospital for Incurables (Near Dublin) Taunton & Somerset Hospital Dorking Union Infirmary Holborn Infirmary Richmond Hospital.

For Insomnia or Accouchements this Bed is Absolutely Invaluable. Patient raised for airing bed or changing linen.

THE BRITISH MEDICAL JOURNAL says:—"By means of the Gorham Bedstead, any person, however invalided, may be placed in a reclining or sitting position on a comfortable seat with foot-rest, at a table for writing and meals, or lifted in an easy hammock to air mattress or change linen by simply turning a wheel."

The feeblest may enjoy all these changes of position.

To the aged and infirm it is invaluable.

The LANCET says:-"The best we have yet seen; it affords comfort to the bedridden; is so simple that it may be worked by a child."

The HOSPITAL says :- "It is really a marvel of clever contriving, and in the case of bedridden patients a comfort, the greatness of which can, perhaps, only be adequately estimated by themselves."

The NURSING RECORD :- "It is impossible to do justice to its great advantage by any verbal description."
